

INITIAL PROJECT REPORT

INSTRUCTIONS

Initial Report:

Deliver points 1 to 5 in Word or PDF document (no more than 5 pages, including texts and tables) as an annex to the scholarship application, as indicated in the call document, point XIII.

1. Name of participant.
2. Country and City of residence.
3. Name of the Institution in which the applicant is employed and the work the Applicant does.
4. Indicate the main policies in force in your country, as well as discuss some programs, projects and studies that are currently being developed for the management and resilience to natural disasters.
5. Indicate, as a brief presentation, a project or Plan of action applicable at your institution or to your research.

Note: Point 6 will be developed at the end of the "postgraduate Diploma in Management, engineering and science for Disaster Resilience" program, so it only applies to the applicants who have been granted the scholarship.

6. Project Results / Final Report
 - 6.1. Indicate the most relevant subjects of the diploma for you.
 - 6.2. Specify how the knowledge acquired in this diploma will improve your professional development in your country
 - 6.3. Indicate what specific actions you expect to carry out of the proposed project. Present the information in the table below:

| OBJECTIVE | ACTIVITY | RESULT | TIME |
|------------------|-----------------|---------------|-------------|
