

LETTER OF INSTITUTIONAL COMMITMENT

(To be signed by the direct head)

Through this, on behalf of _____ (employer of the applicant), I pledge to support Mr./Mrs. _____ (name of the applicant) in the development of the initial idea of "Initial Project Report", proposed (Annex III of this Call), In case he/she is selected to participate in the "II postgraduate Diploma in management, engineering and science for Disaster resilience"¹, provide the following facilities after training in Chile:

- Support the fluid reinstatement of the participant to his/her regular work duties.
- To facilitate the submission of the "Plan of Action", by the selected participant to the Institution, upon his/her return from the programme.
- Orient the proposed "Plan of action" after the return of the selected participant, according to the interests, needs and possibilities of the Institution and the country
- To promote the implementation of the "Plan of Action", as part of the work responsibilities of the selected participant, except that the contingencies of our institution prevent it.
- To promote the implementation of the "Plan of Action", as part of the work responsibilities of the selected participant, except that the exigencies of our institution prevent it.
- Ensure the delivery of information on progress, achievements or non-achievements² in the implementation of the "Plan of Action", which is required by the University and/or AGCID.

In _____ (city, Country), date _____.

Signature: _____

Name:

Designation: _____ **: Email address:** _____

****Include the stamp of the Institution****

¹ For more information on the academic activity, it is recommended to visit the university website, available at <http://ingenieria.uchile.cl/cursos/150872/diploma-en-gestion-para-la-resiliencia-a-los-desastres>

² Not implementing the "Plan of action" will not generate any kind of injury to the participant or to his or her work institution. However, it is strongly suggested that you inform the University of Chile of the reasons for the non-execution of the Plan.
