<p>About the Co-organizer</p>	<p><i>Academy for International Business Officials</i> (AIBO, also known as <i>Training Center of the Ministry of Commerce</i>), is the only educational and training institution directly affiliated to the <i>Ministry of Commerce</i> (MOFCOM), People’s Republic of China.</p> <p>Situated in the famous Xiaotangshan Longmai hot spring area, Changping District, on the riverside of Wenyu River which is reputed as the mother river of Beijing, AIBO boasts a history of 39 years. Covering an area of nearly 600 <i>mu</i> (about 40 hectares) with the total floor area of over 100,000 m², it enjoys beautiful environment and fresh air and has all necessary facilities. Besides, it is conveniently connected to the city’s transportation networks.</p> <p>AIBO provides training, academic teaching, conference service as well as holiday service. It has meeting rooms (including VIP rooms) of various sizes. AIBO’s hotel is well-furnished and provides all necessary facilities.</p> <p>AIBO is the first to organize seminars for government business officials from other developing countries starting from 1998. Now seminars it organizes cover a large range of topics such as economic administration, trade and investment, city planning and administration, telecommunication, transportation, construction of development zones, logistic management, development of natural resources, international labor cooperation, coordinated development of urban and rural areas, wireless communication and digital TV technology, clean energy, etc. Apart from the seminars for officials at director’s level or director general’s level, AIBO has also organized many ministerial workshops.</p> <p>By the end of 2018, AIBO has organized 1530 seminars/workshops including 105 Ministerial Workshops, receiving 43302 officials including 948 ministerial officials and 5 vice national leader from 159 countries and regions around the world.</p> <p>AIBO will strive to make new contributions to the development of China’s commerce and develop into a well-known educational and training institution both at home and abroad.</p>
	<p><i>Anzhen Health Training Center, Chaoyang District, Beijing (hereinafter referred to as The Center)</i> founded in July 2009. It is approved by the Beijing Chaoyang District Health Bureau, the Education Commission and the Civil Affairs Bureau for the registration of professional health personnel training institutions. It is adjacent to the Anzhen Hospital affiliated to the Capital Medical University and the Bird's Nest. The water cube is just across the street and the traffic is very convenient. In February 2012, he participated in the preparatory establishment of the All-Physician Branch of the Beijing Medical Association. He is the vice president unit of the Beijing Community Health Promotion Association.</p> <p>Based on the principle of facing the grassroots, facing the society and positioning the application of talents, the center focuses on the improvement of the professional level of the students and enables them to achieve sustainable development. The center has many years of medical education and training experience, and has a professional and experienced The expert team carried out training programs including qualification promotion training, continuing education training, public welfare training, and external cooperation and exchanges. Nowadays, more than 3,000 classes have been held and more than 100,000 trainees have been trained. In the continuous development, the results have</p>

	<p>been outstanding, which has attracted the attention of the industry.</p> <p>The Anzhen Health Talent Training Center has held 18 foreign aid training courses for 8 consecutive years, and received nearly 400 participants from 53 countries to participate in the training. A relatively complete training model and process has been formed.</p> <p>The concept of "building a community of human destiny" is gradually being accepted around the world, and strengthening cooperation and development of developing countries has become a consensus. The Anzhen Training Center will continue to do a good job in foreign aid training and contribute to the construction of the Belt and Road!</p>
