<p>About the Organizer</p>	<p>Shanghai Business School (SBS), covering an area of nearly 400 mu with three campuses, namely Xuhui, Fengxian and Yangpu, is an undergraduate college under the direct auspices of Shanghai Municipal Government. SBS involves 7 discipline fields and offers 30 undergraduate programs. At present, SBS boasts a faculty body of more than 700 full-time instructors, among whom 88% have Master or PhD degrees. Shanghai Business School is equipped with modern infrastructure and smart campuses with international advanced level.</p> <p>In 2010, Shanghai Education and Training Center of Commerce (referred to as Center) was authorized by the Chinese Ministry of Commerce as one of the training bases for international business officials. In 2016, the Center was merged into SBS. SBS focuses on “Reinforcing Internal Management and Strengthening Brand Building” to promote the capacity building of foreign aid training, continuously strengthen internal standardized management, improve management system construction, extend the service chain of training, emphasize people-oriented service, and elaborately create the “Alma Mater” atmosphere for participants from all over the world. With the mission of “Spreading Friendship, Strengthening Training, Emphasizing Effectiveness”, SBS has been insisting on its working philosophy: Demand-oriented, Innovation-powered, Service-based, Quality-centered, focusing on training objectives and demand of the recipient countries and fully relying on geographical advantages and resources of Shanghai to dedicate itself into one with international influence.</p> <p>By the end of 2018, Shanghai Business School has successfully held 139 seminars for international business officials, training 3,847 officials from 134 countries and regional organizations in 6 continents, which has brought out excellent training effects and has been highly appreciated by all the participants.</p>	
<p>Seminar Course Content</p>	<p>The course of this Workshop focuses on the discussion and interpretation of Shanghai Urban Planning 2035, the comprehensive planning of transportation system, urban energy</p>	

planning and management, planning and practice of Shanghai Smart City, etc. The Workshop mainly adopts workshop, case study and forum method while emphasizing the integration of teaching and practice.

During the workshop, the organizer will arrange for participants to visit relevant institutions to give them an overview of the urban planning, construction, and development in modern China. At the same time, participants will visit Hangzhou City Planning Museum in Hangzhou City of Zhejiang Province to have a more comprehensive and in-depth understanding of China, and also better understand what they have learned in the lectures. The Workshop strives to build a good platform for participants to broaden horizons, develop ideas, exchange experience, and increase knowledge through lectures and study activities within a limited period of time.

This Workshop will fully demonstrate the development of urban planning, construction, and development in China including Shanghai and help participants to comprehensively understand the current situation, accumulated experience, and achievements of urban planning and construction in China, so as to build a platform for communication and exchanges between China and other countries and further promote their cooperation and common development.
