About the Organizer	<p>The Commercial Training Center of Department of Commerce of Hainan Province was established in 2000, it is a division level institution under the direct guidance of Department of Commerce of Hainan Province. Currently the center has 29 staffs, of which 16 possess bachelor degree or above, and 11 own middle and high level professional titles. The major tasks of the center include business and technical qualification training, business abroad exhibition, training of exported labor and Hainan representative office of China International Electronic Commerce Center (EDI) etc. The center is well structured with sound financial conditions and fully equipped in terms of office facilities. The center owns 5 cars and 1 middle size bus. Since 2008, under the guidance of the Department of Commerce, the center actively communicated with the Chinese Academy of Tropical Agriculture and Hainan University, and participated in the actual operation of foreign aid training projects given by Ministry of Commerce, which included the training projects of "Pacific Island Countries Tourism Training Course", "Tropical Crops Production and Processing Technique Training Course for Developing Countries", "Tropical Agriculture New Technology Training Course for Developing Countries", "Tropical Agriculture and Tourism Seminar for Developing Countries", "Island Climate Change and Tourism Development Seminar for Developing Countries", "Agricultural Products Processing Technique Training Course for Uganda", "Tropical Marine Industry Development Seminar for Developing Countries", "Island Economy Seminar for Developing Countries", "Tropical Fruits and Vegetables Planting and Processing Technique Training Course for Developing Countries" and "Tropical Fruits and Vegetables Planting and Processing Technique Training Course for French-speaking African countries" etc. In 2014, the commercial training center has become the one of training bases of Academy for International Official (AIBO), MOFCOM.</p>		
Seminar / Training Course Content	<p>Commissioned by the Ministry of Commerce of the People's Republic of China, the Commercial Training Center of Department of Commerce of Hainan Province will hold the 2019 Seminar on Tourism Management for Developing Countries from October 17th to October 30th. This seminar will offer lectures on China's national conditions, the management of tourist attraction, hotel management, the development and management of the eco-tourism, the development and management of characteristic tourism resources and the tourism information management system. Professors and scholars from the Department of Commerce of Hainan Province, Hainan University and Hainan College of Economics and Business will be invited to deliver lectures. The seminar will take the combination of classroom teaching and fieldwork, during the training, the trainees will be arranged to visit the Qionghai, Wanning, Sanya, Shanghai, Hangzhou, and Suzhou city to conduct field trips so that trainees can have a comprehensive understanding of modern China and a better grasp of what they have learned in order to handle relevant issues more effectively in future work and promote friendly cooperation between China and developing countries.</p>
