riverside of Wenyu River which is reputed as the mother river of Beijing, AIBO boasts a history of 37 years. Covering an area of nearly 600 mu (about 40 hectares) with the total floor area of over 100,000 m2, it enjoys beautiful environment and fresh air and has all necessary facilities. Besides, it is conveniently connected to the city's transportation networks.

AIBO provides training, academic teaching, conference service as well as holiday service. It has meeting rooms (including VIP rooms) of various sizes. AIBO's hotel is well-furnished and provides all necessary facilities.

AIBO is the first to organize seminars for government business officials from other developing countries starting from 1998. Now seminars it organizes cover a large range of topics such as economic administration, trade and investment, city planning and administration, telecommunication, transportation, construction of development zones, logistic management, development of natural resources, international labor cooperation, coordinated development of urban and rural areas, wireless communication and digital TV technology, clean energy, etc. Apart from the seminars for officials at director's level or director general's level, AIBO has also organized many ministerial workshops.

By the end of 2018, AIBO has organized 1530 seminars/workshops including 105 Ministerial Workshops, receiving 43302 officials including 948 ministerial officials and 5 vice national leader from 159 countries and regions around the world.

AIBO will strive to make new contributions to the development of China's commerce and develop into a well-known educational and training institution both at home and abroad.

Purpose: Chinese government holds seminars of this kind aiming to enhance mutual understanding, deepen friendship, and establish platforms for promoting communication and cooperation among developing countries.

Content: This seminar includes presentations and field trip. All presentations are given by government officials or experts, covering topics such as "General Review of China", "China's Opening-up & Economic Development", "Development cooperation under the "Belt and Road" initiative", "China's Foreign Aid Policy", "China's measures for the administration of complete foreign aid projects", "Measures for the administration of foreign aid materials projects", "China's Policy on Preferential Loan" and so on.

Besides, participants will visit other cities where they will meet with local government officials, visit enterprises and exchange ideas with them so that they can get a better understanding of understand China's foreign aid policy and at the same time seek opportunities for more cooperation.

The content shown above is subject to changes and finalized version shall be provided upon the official's arrival.

Tips:
