About the Co-organizers	<p>Academy for International Business Officials (AIBO, also known as Training Center of the Ministry of Commerce), is the only educational and training institution directly affiliated to the Ministry of Commerce (MOFCOM), the People's Republic of China. Located in the famous Xiaotangshan Longmai hot spring area, Changping District, on the riverside of Wenyu River which is the mother river of Beijing, AIBO boasts a history of 40 years. Covering an area of nearly 600 <i>mu</i> with the total floor area of over 100,000 m², it enjoys beautiful environment and fresh air and has all necessary facilities and convenient transportation. AIBO has become an important training base for national business talents and international business officials.</p> <p>AIBO provides training, academic teaching, conference service as well as holiday service. At present, it has meeting rooms, seminar rooms and VIP rooms of various sizes. AIBO's hotel is well-furnished and provides all necessary facilities.</p> <p>AIBO is the first to organize seminars for government business officials from developing countries starting from 1998. It covers a large range of topics such as economic administration, trade and investment, city planning and administration, telecommunications, port operation and inland water transportation management, transportation, construction of development zones, logistics management, development of natural resource, international labor cooperation, coordinated development of urban and rural areas, wireless communication and digital TV technology, clean energy etc. Apart from the seminars for officials at director's level or director general's level, AIBO has also organized many ministerial workshops.</p> <p>By the end of 2020, AIBO has organized 1,768 seminars or workshops for officials from developing countries which includes 117 ministerial seminars, and has received 49,927 officials from 160 countries and regions, including 5 deputy-state level officials and 1,053 ministerial officials.</p> <p>AIBO will strive to make new and greater contributions to the development of China's commerce and truly become a renowned educational and training institution both at home and abroad.</p>

	<p>The National Judges College (NJC) is an institution directly affiliated to the Supreme People's Court and a main institution for education and training of judges in China. Founded in 1997, NJC is located at No. 111, West Road of South 4th Ring Road, Huaxiang, Fengtai District, Beijing. It covers an area of 165,400 m² and a floor area of 60,000 m². It can carry out training for 750 people at the same time. NJC primarily undertakes appointment training, reappointment training, promotion training and trial-oriented training for presidents, vice-presidents of China's high people's courts and intermediate people's courts as well as senior judges and reserve talents from all levels people's courts. Besides, it also provides pre-job training for expectant judges. In the 19 years since its establishment, NJC has held more than 1,200 judges training program, with the growing speed of 150 training program per year. More than 200,000 judges and court staff received training in NJC. Since the great progress has been made, it was praised by the Supreme People's Court in 2011, 2013, 2014 and 2018, and was awarded by the Supreme People's Court with third-class merits in 2015.</p> <p>NJC has a high quality full-time and part-time faculty, with 43 full-time teachers, including 10 professors, 21 associate professors and 12 lecturers. At the same time, 304 part-time professors are employed from all levels people's courts, nationwide teaching and scientific research institutions and government institutions. For now, NJC has set up 33 branches in provinces, autonomous regions and municipalities nationwide.</p> <p>The National Judges College is an important window for communication with foreign countries of the Supreme People's Court and also serves as "the International Exchange Center for Judges of the Supreme People's Court". In order to cooperate with the construction of the Belt and Road, from 2016 to 2021, NJC has held 53 seminars for judges from abroad, training 1,173 judicial officials from 58 countries and regions.</p>
