About the Organizer	<p>The University of International Business and Economics (UIBE), founded in 1951, is a national key university under the leadership of the Ministry of Education. UIBE was among the first batch of higher education institutions to be listed in "Project 211" and was among the first group of China's universities to be included in the "</p>

	<p>Double First-Class" policy, and one of the most sought-after academic institutions in China and has become an important base of cultivating professional intellectuals in economy and trade and conducting scientific research. UIBE is composed of over 20 teaching and research institutions including Institute of WTO, Institute of International Business, School of International Trade and Economics, School of Business, etc. And over 10 administrative organs including Department of International Relations, etc. UIBE has over 1600 faculty and staffs, including over 1000 teaching and research faculty with 110 professors, 290 associate professors and 30 foreign experts. Currently UIBE has exchange programs with over 200 universities and institutes from more than 40 countries and regions around the world.</p> <p>As one of the oldest schools in UIBE, School of Public Administration (hereafter SPA) was firstly founded in 1974 as the Department of Customs Administration, which was then exclusively authorized to award the bachelor degree in customs management. Historically, SPA has been maintaining close ties with varied Chinese ministries and central government authorities, such as Ministry of Commerce, General Administration of Customs, General Administration of Quality Supervision, Inspection and Quarantine, and Ministry of Culture. At the international level, SPA enjoys the formal membership in the International Network of Customs Universities and is frequently invited to attend the annual conference of PICARD by WCO.</p> <p>UIBE has been undertaking the China-Aid Foreign Official Training Programs for many years. Since 2000, under the authorizing of the Ministry of Commerce, UIBE have undertaken nearly 90 bilateral and multilateral official training programs, with more than 2000 participants. The training fields mainly include economy and trade, finance, investment, taxation, customs, corporate management, law, diplomacy, etc. The training languages are English, French, Russian, Spanish, Portuguese, etc. All the seminars have achieved good results. UIBE has significant advantages in foreign language majors and is one of the 15 national key foreign language universities.</p>
