<p>About the Co-Organizer</p>	<p><i>Academy for International Business Officials</i> (AIBO, also known as <i>Training Center of the Ministry of Commerce</i>), is the only educational and training institution directly affiliated to the <i>Ministry of Commerce</i> (MOFCOM), People’s Republic of China.</p> <p>Situated in the famous Xiaotangshan Longmai hot spring area, Changping District, on the riverside of Wenyu River which is reputed as the mother river of Beijing, AIBO boasts a history of 41 years. Covering an area of nearly 600 <i>mu</i> (about 40 hectares) with the total floor area of over 100,000 m², it enjoys beautiful environment and fresh air and has all necessary facilities. Besides, it is conveniently connected to the city’s transportation networks.</p> <p>AIBO provides training, academic teaching, conference service as well as holiday service. It has meeting rooms (including VIP rooms) of various sizes. AIBO’s hotel is well-furnished and provides all necessary facilities.</p> <p>AIBO is the first to organize seminars for government business officials from other developing countries starting from 1998. Now seminars it organizes cover a large range of topics such as economic administration, trade and investment, city planning and administration, telecommunication, transportation, construction of development zones, logistic management, development of natural resources, international labor cooperation, coordinated development of urban and rural areas, wireless communication and digital TV technology, clean energy, etc. Apart from the seminars for officials at director’s level or director general’s level, AIBO has also organized many ministerial workshops.</p> <p>By the end of 2022, AIBO has hosted a total of 2008 training courses/seminars for officials from developing countries, including 124 seminars for officials at ministerial-level, and received 58,632 officials from more than 160 countries and regions in the world, including 5 officials at the vice national-level and 1070 officials at the ministerial-level.</p> <p>AIBO will strive to make new contributions to the development of China’s commerce and develop into a well-known educational and training institution both at home and abroad.</p> <hr/> <p>The China Council for the Promotion of International Trade (CCPIT) is one of the largest institutions for the promotion of foreign trade in China. For the decades, CCPIT has set up economic and trade relations with business circles in more than 200 countries and regions throughout the world, signed cooperative contracts with more than 300 related organizations, and set up joint chamber of commerce with chambers of commerce in many countries. Meanwhile, CCPIT has established representative offices in 16 countries and regions in the world. At home, CCPIT (CCOIC) has founded 50 sub-councils in different provinces, autonomous regions and municipalities and more than 600 branches and chambers of commerce in counties. Besides, CCPIT</p>
-----------------------------------	---

has also established 21 sub-councils in sectors like machines, electronics, light industry, textile, agriculture, automotive, oil and chemical industry, business, metallurgy, aerospace, chemistry, construction, mineral industry, coal, logistics and so on. And it also provides guidance for China Association of Foreign Service. It boasts 70,000 member enterprises. CCPIT and China Chamber of International Commerce has also joined many international organizations such as World Intellectual Property Organization, AIPPI, Licensing Executives Society International, International Maritime Council, International Council for Commercial Arbitration, World Expo Union, International Chamber of Commerce, Pacific Basin Economic Council etc.

CCPIT attaches great importance to foreign aid training programs. Since 2004, CCPIT has successfully implemented 76 Training Programs for Chambers of Commerce & Industry. By the end of 2022, a total of 2384 director & director general level officials from 134 developing countries and regions had been received.

Founded in 2006, Training Center of CCPIT (CCOIC) is a public second-class institution approved by the Office of the Central Organization Committee. Through concerted cooperation with renowned training institutes, associations and public institutes home and abroad, the Training Center has introduced and developed a series of training and certification system. Among the training programs and certifications, pillar programs like Certified Documentary Credit Specialist (CDCS), Certificate in Trade and Finance (CITF), Certificate for Specialists in Demand Guarantees (CSDG) examination have effectively enhance working capability of bank staffs and contributed a lot to trade education development.

Currently, China has come to a pivotal period of constructing an open economic system and transforming itself from a country with large trade volume to a real trade power which poses new challenges to training work of the Training Center. In October of 2014, CCPIT readjusted training work, strengthened training function, intensified efforts of resource integration to allocate training work to the training center. In face of new situation and task, the Training Center will conduct its work based on two important platforms of CCPIT and CCOIC to conduct various training programs and deliver improved training services to government, enterprises and society.

<p>Training Course Content</p>	<p>Purpose: This seminar aims to enhance understanding and deepen friendship for participants through mutual learning and exchange, and to create a platform for international exchange and cooperation among developing countries.</p> <p>Content: This seminar includes two parts: themed lectures and field trips. The lectures include an overview of China's national conditions, international production capacity cooperation under the "Belt and Road" initiative, interpretation of the "Belt and Road" initiative, China's foreign aid policy, sharing of China's industrial park development experience, overseas industrial park construction to help the "Belt and Road" high-quality development etc.</p> <p>The seminar officials will also carry out field trips, visit local enterprises, and have discussions with local government officials and business leaders to learn more about China's development assistance experience.</p> <p>The above is the preliminary schedule, the final version will be provided upon your arrival in China.</p> <p>Notes.</p> <ol style="list-style-type: none"> 1、 Please prepare your passport, Chinese visa and third-party transit country visa (if necessary) before coming to China. 2、 If participants cannot depart on time due to special circumstances, or if there is a flight delay during the transfer, please contact the Economic and Trade Office or the organizer in time, inform the latest flight No. and time of arrival in Beijing so that we can arrange pick-up for you. 3、 In principle, it is not allowed for individuals to change their tickets to China. If you really need to do so, please contact the Business Office and follow the procedures to change your ticket. Participants who change their tickets without consent will be notified to the Chinese embassy and the costs and responsibilities therefore incurred shall be borne by yourself. 4、 After picking up the luggage, please wait patiently at the international arrival exit (or domestic arrival exit) and the organizer will pick you up with a pick-up board with your name on it. If waiting for more than 15 minutes, you can communicate with the organizer by phone. 5、 In case of lost baggage so you need to register the loss procedure with the airline, please first communicate with the organizer to confirm the baggage delivery location and then fill in the registration form.
