<p>About the Organizer</p>	<p>The Commercial Training Center (Overseas Labor Training Center of Hainan Province) is a institution directly under the administration the Department of Commerce of Hainan Province. In January 2014, the training center gained the approval of the Ministry of Commerce and became a "MOC Training Base for International Business Officials". In recent years, Commissioned by the Ministry of Commerce, the center has organized hundreds of China-aid seminars and training courses for thousands of English-, Spanish-, French-, Portuguese-, Russian-, Arabic-, Cambodian-, Laos-, Vietnamese- and other language-speaking participants who came from nearly 100 countries and regions.</p> <p>In 2015, the center organized one of the first batch of MOC's "Going Global" overseas training projects -"Training Course on Tropical Crop Planting Technology for Trinidad and Tobago". In 2017, the programs undertaken by this center - "Seminar on China Economic Development Experience for Ministers of Madagascar" and "Seminar on Aviation Security Risk Management for the 'Belt and Road Initiative' Countries" saw satisfying result, winning the laud of the China International Development Cooperation Agency, the Department of Foreign Assistance of the Ministry of Commerce, the Training Center of the Ministry of Commerce, the Department of Commerce of Hainan Province, the Foreign Embassies of the recipient countries in China and all the participants! The center has accumulated rich training experience in the fields of tourism, hotel management, aviation, culture, island economy, project management, PPP project management, infrastructure planning and management and public management. A mature training system has been set up.</p> <p>In recent years, in terms of the 'Climate Change and Economic Development on Islands' themed seminars, the center has organized "Seminars on Climate Change and Economic Development on Islands for Developing Countries" from 2013-2022. These seminars shared valuable experience and know-how to participants, and improved their management skills via lectures, visits and discussions.</p>
