<p>About the Organizer</p>	<p>China International Economic Consultants Co., Ltd. (CIEC) is a wholly-owned subsidiary of CITIC Group. Founded in 1981, it is the first professional consulting company in China after the reform and opening up.</p> <p>With the comprehensive service capability of CITIC Group, CIEC has organized plenty of workshops, attended by nearly 1000 government officials from dozens of countries, which helps participants to have better understanding of Chinese experience and Chinese wisdom. The demand of countries along the route for strengthening exchanges with China in economic and trade, science and technology, and other aspects of interaction with China has been increasing. CIEC takes the "Belt and Road" initiative as a key task for the current and future period, and is willing to give full play to its advantages in economics and finance, and contribute more to the promotion of international cooperation and exchange by hosting seminars and workshops for officials from developing countries.</p>
