About the Co-organizer	<p><i>Academy for International Business Officials</i> (AIBO, also known as <i>Training Center of the Ministry of Commerce</i>), is the only educational and training institution directly affiliated to the <i>Ministry of Commerce</i> (MOFCOM), People's Republic of China.</p> <p>Situated in the famous Xiaotangshan Longmai hot spring area, Changping District, on the riverside of Wenyu River which is reputed as the mother river of Beijing, AIBO boasts a history of 41 years. Covering an area of nearly 600 <i>mu</i> (about 40 hectares) with the total floor area of over 100,000 m², it enjoys beautiful environment and fresh air and has all necessary facilities. Besides, it is conveniently connected to the city's transportation networks.</p> <p>AIBO provides training, academic teaching, conference service as well as holiday service. It has meeting rooms (including VIP rooms) of various sizes. AIBO's hotel is well-furnished and provides all necessary facilities.</p> <p>AIBO is the first to organize seminars for government business officials from other developing countries starting from 1998. Now seminars it organizes cover a large range of topics such as economic administration, trade and investment, city planning and administration, telecommunication, transportation, construction of development zones,</p>

logistic management, development of natural resources, international labor cooperation, coordinated development of urban and rural areas, wireless communication and digital TV technology, clean energy, etc. Apart from the seminars for officials at director's level or director general's level, AIBO has also organized many ministerial workshops.

By the end of 2022, AIBO has hosted a total of 2008 training courses/seminars for officials from developing countries, including 124 seminars for officials at ministerial-level, and received 58,632 officials from more than 160 countries and regions in the world, including 5 officials at the vice national-level and 1070 officials at the ministerial-level.

AIBO will strive to make new contributions to the development of China's commerce and develop into a well-known educational and training institution both at home and abroad.

Beijing Community Health Promotion Association (hereinafter referred to as CHPA), was established in September 2017. It is a city-level professional social organization approved and registered by the Beijing Civil Affairs Bureau. Its main business scope is: carrying out health-related policy publicity, professional training, special research, foreign exchanges, consulting services, organizing visits, networking activities and undertaking matters entrusted by relevant departments. Since its establishment, with "serving the society, serving the government, serving members and serving residents" as the core, it has actively coordinated and complemented its advantages with other social organizations, absorbed multiple social resources, and continuously innovated in promoting the implementation of government service functions, helping the development of health undertakings, and promoting the healthy life of residents, with many members, a large number of experts and multi-party cooperation units, and created a number of characteristic service brand projects.

CHPA has carried out various special training courses in health management, professional and technical capacity improvement, talent team building, and medical and health institution construction related to health promotion, accumulating rich training experience.

By the end of 2022, it has cooperated with the International Business Officials Training College of the Ministry of Commerce to jointly organize foreign aid training programs (including training courses for primary medical/public health personnel), and has received more than 170 health professional officials from more than 20 developing countries to participate in training and training, accumulating rich experience in foreign aid training.

CHPA will continue to do a good job in foreign aid training programs, and strive to contribute to China's efforts to promote the high-quality development of the "Belt and Road", accelerate the implementation of global development initiatives, and build a global development community.
