About the Organizer	<p>The International Poverty Reduction Center in China (IPRCC) was established in May 2005 as one of outcomes of Shanghai Global Conference on Scaling Up Poverty Reduction in 2004. IPRCC was jointly initiated and established by the Chinese government, the UNDP, the World Bank and other international organizations. It is designed for research, training, exchange, collaboration and knowledge sharing in poverty reduction. IPRCC is committed to the internationalization of China's poverty reduction experience, as well as the localization of global experience, so as to forge an integrated platform for poverty reduction and development. Since 2005 to the end of 2022, IPRCC has successfully held 182 seminars, with 5115 participants from 138 countries. IPRCC has developed training textbooks such as "Ten Keys to Understanding China's Poverty Reduction", video textbooks and micro video cases teaching materials. In the central and western regions in China, 15 provinces have been identified as "China Poverty Alleviation Exchange Base". Participants can be arranged to visit the bases for field visits and feel the effects of poverty alleviation policies and practices. IPRCC is also equipped with an international training team that understands business, knows foreign languages and has high quality. At the same time, it has compiled and printed the international training manual for poverty reduction, which has strengthened the standardized management and promoted the high-quality development of project implementation. IPRCC has two training classrooms with an area of 120 square meters, and has the necessary venues and equipment for online training. Web site of IPRCC: http://www.iprcc.org</p>
