About the Organizer	<p>The Shenzhen Association for the Promotion of Foreign Economic and Technical Cooperation (referred to as the Promotion Association) was established in October 2003. It is a social organization sponsored by the Shenzhen Municipal Bureau of Commerce. It aims to cooperate with the country's "going out" strategy, guide and help Shenzhen enterprises to open up foreign markets and promote Shenzhen's foreign economic and technological cooperation and exchanges.</p> <p>The Promotion Association has a solid foundation in high-tech fields such as computer and information communication technology. It is good at various trainings in these fields. As of January 2023 has undertaken 168 training course assignments, training 4,588 participants from countries in Asia, Africa, Europe, South America, the Caribbean, the South Pacific and other regions, all at the level of technical classes, divisional officers. The training covers a wide range of areas such as information technology, communications, smart cities, university information management, high-tech management, special economic zone development experience, and business administration. Since its establishment, the Association has undertaken 18 training courses on application technology of domestic basic software. Through years of self-accumulation and close cooperation with members units such as Huawei and ZTE, it has a computer room of hundreds of square meters and two comprehensive laboratories. And a variety of computer equipment, also has a team of experts with rich training and teaching experience in the field of intellectual education information. The Promotion Association has long-term cooperative relations with many Shenzhen ICT companies; it can provide high-quality industry teacher resources and visits for foreign aid training.</p>
