<p>About the Organizer</p>	<p>Anhui Institute of International Business (AHIIB) is a full-time higher vocational college, attached to the Bureau of Commerce of Anhui Province. AHIIB was established in 1980, and after more than 30 years of development, it has become an important base for business training in Anhui Province. In March 2012, AHIIB became one of the organizers for foreign-aid training approved by the National Foreign Aid Division of the Ministry of Commerce. Since 2013, AHIIB has undertaken 36 foreign aid training programs of the Ministry of Commerce with high standards, accumulatively training 838 government officials and technical personnel from 81 different developing countries. AHIIB has established universities, industries and enterprises to innovate training methods and enrich training content by virtue of local economic advantage.</p> <p>Anhui Construction Engineering Group, the assistance unit of the seminar, was founded in 1952. It is a province-owned large-scale construction enterprise, and it owns special-class certificate of housing construction general contracting, A-class certificate of construction industry (constructional engineering) design, and the qualifications of contracting projects abroad, labor management rights and the enterprise of implementing foreign aid project sets constructions, approved by Ministry of Commerce. Besides, the enterprise also owns A-class certificates of engineering consultation, construction observation and construction products quality inspection, as well as more than 130 qualifications of real estate development, mechanical and electrical equipment installation, architectural decoration and so on, among which 70 qualifications are of A-class. In 2013, the enterprise was selected “ENR Top 225 International Contractor” for the fifth consecutive years, and also won several domestic awards for consecutive years. In international market, the projects contracted by the enterprise spread all over more than 40 countries and regions in five continents, and a large number of projects received praises from Ministry of Foreign Affairs, Ministry of Commerce, as well as the high evaluations of foreign clients.</p>
