<p>About the Organizer</p>	<p>The Academy for International Business Officials (AIBO) is an educational and training institution directly under the Ministry of Commerce of the People’s Republic of China. Established in 1980, AIBO is located in Changping District, Beijing, about 30 kilometers from Beijing Capital International Airport. It boasts comprehensive infrastructure to provide services such as accommodation, catering, training and meetings for trainees.</p> <p>One of the main responsibilities of AIBO is to implement human resources development and cooperation projects, especially training courses for officials. The Academy serves as the main base for China's foreign aid training, offering both off-line and on-line training in China and overseas.</p> <p>Backed by the Ministry of Commerce and in close cooperation with China’s top think tanks, research institutes and universities, AIBO brings together a large number of China’s top experts and scholars to provide intellectual support for foreign aid training. It has developed a number of high-quality foreign aid training projects in the fields of trade and investment, international economic cooperation, governance and public management, which have proved to be fruitful.</p> <p>Since 1998, AIBO has successfully held over 2,000 training sessions for officials from developing countries (including 124 ministerial seminars), benefiting nearly 59,000 participants from other developing countries around the world.</p> <p>AIBO will adhere to the guidance of Xi Jinping Thought on Socialism with Chinese Characteristics for a New Era, and take the important concepts, including a community with a shared future for mankind, pursuing the greater good and shared interests, and sincerity, real results, amity, good faith, mutual benefit and inclusiveness, as strategic guidance and fundamental principles to be followed. It will facilitate the joint efforts in implementing major initiatives such as the “the Belt and Road” Initiative and the Global Development Initiative, and continue to help developing countries accelerate their development by sharing China's experience and programs.</p>
<p>About the Project</p>	<p><b>Background of the Project:</b> As the world's largest developing country, China's outward economic cooperation has witnessed steady growth in recent years. In 2022, China's outbound direct investment (ODI) reached USD 146.5 billion, surpassing other major economies in the world and ranking a top position globally; in the same year, China's foreign direct investment (FDI) increased by 5 percent to a record high of USD 189.1 billion. Overall, China's outward economic cooperation has shown a trend of growth, upgrade and optimization. Against the backdrop of advancing economic globalization and multilateralism, China will further strengthen its cooperation with developing countries to promote common development and advance the healthy development of the global economy.</p> <p><b>Training Purpose:</b> The purpose of the seminar is to enhance understanding and deepen friendship through mutual learning and exchanges with developing countries, and build a platform that can facilitate developing countries to carry out exchanges and cooperation in the areas of trade and investment in an innovative, open, fair, inclusive and win-win manner, and thus to promote</p>

	<p>the international trade and investment cooperation and jointly build an open world economy.</p> <p><b>Training Content:</b> The seminar will give lectures on various topics such as an overview of China's national conditions, China's experience in reform and opening-up and economic development, the Belt and Road Initiative (BRI) and its implementation, investment facilitation under the multilateral trading system, China's trade and investment promotion, the characteristics of the new generation of trade and investment rules, development trends of trade and investment facilitation and China's practices, trade and investment facilitation for small and medium-sized enterprises (SMEs), China's experience in utilizing foreign investment, promoting foreign investment - China's case studies, China's experience in managing foreign investment, etc.</p> <p><b>Training Method:</b> The seminar will invite Chinese experts in the field of China's outward investment to give themed lectures; organize discussions and exchanges between participants and experts, and among participants; organize study tours to relevant enterprises in Beijing and other cities to allow participants to experience the process of China's local economic development, witness China's achievements in investment cooperation, and feel the local customs across China.</p> <p>(The above is based on the preliminary schedule, and may be adjusted according to the actual situation. The final version will be provided upon arrival in China.)</p>
Notes	<ol style="list-style-type: none"> <li>1. Please prepare your passport, Chinese visa and third-party transit country visa (if necessary) before coming to China.</li> <li>2.
