<p>About the Organizer</p>	<p>Anhui Institute of International Business (AIIB) is a full-time higher vocational college, attached to the Bureau of Commerce of Anhui Province. AIIB was established in 1980, and after more than 30 years of development, it has become an important base for business Seminar in Anhui Province. In March 2012, AIIB became one of the organizers for foreign-aid Seminar approved by the National Foreign Aid Division of the Ministry of Commerce. AIIB is located in Hefei, the capital city of Anhui Province, where there are some famous places of interests such as the monument of Bao Zheng and the former residence of Li Hongzhang. There are also some famous tourist attractions such as Huangshan Mountain, Jihua Mountain and Tianzhu Mountain in the province .</p> <p>The assistance unit is Hefei University of Technology which has School of Architecture&amp;Art . School of Architecture&amp;Art Hefei University of Technology, Which was founded in 1958, formerly known as the Department of Civil Engineering of architecture, it is one of the earliest institutions which established the major of architecture. College of Architecture&amp;Art was established in 2001 which contains majors as “Architecture”, “Urban Planning”, “Landscape of architecture”, “Design”&amp; “Art”. At the same time, there are some institutions and research centers belong to College of Architecture&amp;Art. They are“Protection and Development Research Center of Huizhou Architecture” , “Urban and Rural Construction and Planning Institute”&amp; “Green Building Design Institute”. College of Architecture&amp;Art takes an actively exchanges and cooperation with some famous universities in United States, Britain, Germany, Spain, Canada, Japan, Korea and other countries and regions. It established good relations and cooperation with them. As the College was founded for nearly 60 years, she has trained a large number of design talents who can be seen as the representatives to the construction industry. Meanwhile, it designed and completed a number of major projects for the development of architecture and urban planning.</p>
<p>Seminar Content</p>	<p>Commissioned by the Ministry of Commerce of the People's Republic of China, Anhui Institute of International Business will organize Seminar on Urban Development and Management for Developing Countries from September 5<sup>th</sup> to September 25<sup>th</sup>. The Seminar consists of professional lectures and field visits, the contents of professional lectures mainly including Urban and rural planning, urban and rural planning management and heritage protection, urban design and residential planning, urban construction management, urban public art design and others. All the lecturers are professors and technicians with senior technical titles from HFUT, all of them have rich construction experience and expertise. During the seminar, the officials will be arranged to visit Anhui Construction Engineering Group Co.,Ltd and Xi’an Construction site for field visits, and visit the infrastructure of Xi’an and Huangshan City. In order to enrich the spare time, the officials will be arranged to visit the tour sites.</p> <p>In short, through the combination of theory and field visits, the officials can learn more knowledge about Urbanization Construction Management, and promote cooperation and exchanges between China and developing countries in this field.</p>
