<p>About the Organizer</p>	<p>Shandong Foreign Trade Vocational College is the oldest university in Shandong Province with foreign trade and economic vocational education. It is a national high-quality university, a high-quality university in Shandong Province, a famous school in Shandong Province, and a brand school in Qingdao. In the past 50 years, it has cultivated more than 60,000 graduates, and alumni have established over 3,000 enterprises of various scales, making outstanding contributions to regional economic and social development. The college has 11,000 full-time students and more than 600 teachers. The school now offers 24 majors in Tourism Management, Exhibition Planning and Management, Software Technology, Logistics Management, Flight Attendant and etc. The college is the directing unit of the Advisory Committee of Foreign Language Teaching in Vocational Education, Ministry of Education, P.R.China. It is the deputy directing unit of the Instructing Committee of National Vocational Education of Foreign Economic Relation & Trade. The college has two large training bases in Tai'an and Qingdao West Coast, and five research centers including the Free Trade Zone Research Center. Shandong Foreign Trade Vocational College is affiliated to Department of Commerce of Shandong Province and has close ties with the provincial and municipal commercial bureaus. It can take advantage of various resources of Shandong province and maintain close contact with thousands of companies. It has cooperated with well-known enterprises including Sea View Garden Hotel, China International Travel Service (Qingdao) Co., Ltd., Hisense Group to build more than 200 off-campus training bases.</p> <p>In 2018, our college has successfully held the Training Course of Chinese experience - China Social System and Public Policy and Training Course on China's Reform and Opening Development Experience for Zambia. Both classes were successful, received many letters of thanks from the students, and received many medias' good responses from home and abroad. The report has achieved good social benefits and effects.</p> <p>Our college has long-term cooperation projects with Ocean University of China, Qingdao Administration College, Qingdao University, Shandong University of Science and</p>	

	<p>Technology. Shandong Provincial Department of Commerce, Shandong International Investment Promotion Center, Shandong Provincial Economic and Information Technology Commission, Shandong Provincial Development and Reform Commission and other government departments can strongly support the foreign aid training work of our college. Major industrial enterprises such as Hisense, Xinhuajin, and CRRC Sifang locomotives have cooperated with our college to provide outstanding teachers outside our college for the training of talents in our college. This year's foreign assisting training program is intended to invite professors from Ocean University of China, Qingdao University and Qingdao Administration College, and officials from Shandong International Investment Promotion Center to give lectures.</p>
Seminar Content	<p>This seminar is mainly for government officials and administrators of public areas in developing countries, the seminar mainly includes: 1. The Interpretation of China's national Conditions and Institutional Reform Policies; 2. Interpretation of China's national conditions and institutional reform policies; 3. The Introduction of China's Experience in Reform and Opening up. 4. Strategic Planning of Government Officials; 5. The Confidence of the CPC in the Road, Theory, System and Culture; 6. Superpowers' Game and China's Strategy for the New Era; 7. Structure and Path of the Modernization of China's Governance 8. The Historical Review and Prospects of Political System Reform in the Modernization of Governance System.</p> <p>This seminar will combine special lectures, special seminars and visits, and organize participants to conduct visits and seminars in Qingdao, Shanghai and Linyi. Qingdao is a municipality of Independent Planning Status under Social and Economic Development and an international port city, an international coastal resort, and a developed foreign trade city. It is a typical export-oriented economy city. In Qingdao, participants will be organized to visit Qingdao Port to learn how port cities can use their own advantages to develop an export-oriented economy. Participants will also be organized to visit Qingdao Blue Silicon Valley to learn about Qingdao marine science and technology achievements and Qingdao's support policies for high-tech industries and talents. Shanghai is China's economic, financial, trade, shipping, and technology innovation center, and Shanghai Port has become one of the most important trading ports in the world. In Shanghai, participants will be organized to visit the Shanghai Free Trade Zone to learn about the new relationship between the Chinese government and the market as well as enterprises in the new era and the development experience of China's free trade zone. Participants will also visit the Shanghai Pudong Reform and Development Exhibition to further understand China's reform and opening up experience and achievements. Linyi is located in the southeast of Shandong Province. It is a long-established ancient city and a famous revolutionary old district. It has fully utilized its location advantages and has grown into a commercial capital with developed logistics. Its development experience can provide reference for developing countries. In Linyi, participants will visit Linyi International Trading City and Linyi Port to experience the spirit of Yimeng culture and understand the development path of Linyi City. Relying on the international Trade City, Linyi has developed into the largest wholesale market in northern China. Relying on Linyi Port, products can be transported to dozens of countries. Linyi has become a famous city of logistics.</p> <p>The seminar strives to enable students to understand China's advanced experience in</p>

	<p>economic development and government governance in a limited time, to build a communication platform for trainees, domestic and foreign enterprises, to explore opportunities for cooperation, and to promote friendly relations between China and the countries where the students are from and it will also further promote the development of both countries.</p>
