About the Organizer	<p>Chinese Academy of Social Sciences (CASS) is the premier academic organization and comprehensive research center of the People's Republic of China. CASS has 40 research institutes and over 3,000 professional researchers, and has been serving as a key think tank to Chinese government. With a wide range of disciplines, a great number of researchers and abundant documents and literature, CASS has been committed to theoretical and policy study and contributed to the overall development of China's research in humanities and social sciences.</p> <p>Founded in 1978, the Graduate School of Chinese Academy of Social Sciences (GSCASS) is the institution of higher learning under CASS, with the mission to carry out postgraduate education in humanities and social sciences. GSCASS has fostered a large number of outstanding graduates, making great contributions to China's economic development and academic research in social sciences. In 2017, the University of Chinese Academy of Social Sciences (UCASS) was founded on the basis of GSCASS</p> <p>UCASS (GSCASS) has rich experience in hosting high level international seminars. Some successful examples include: The Ministerial Seminar for Presidential Advisers of Developing Countries in 2013-2018, The Seminar on Think Tanks and Scholars for African Countries in 2015-2018, etc.</p>	
Workshop Course Content	<p>The organizer will invite top experts to chair seminars on various topics: Prof. Cai Fang, vice director and academician of CASS, Dr. Wang Lei, Director of the International Cooperation Bureau of CASS, Prof. Li Ping, Director of the Institute of Quantitative & Technical Economics of CASS. The workshop topics will include: China's 40 Years Development Experience since Reform and Opening-up Policy, Shift of Driving Forces of China's Economic Growth, China's Legal System and Governance, China's Political System and National Governance, Xi Jinping's Thought on Governance, and China's B&R Initiative etc.</p> <p>Participants of the workshop will attend the Belt and Road Forum for the Win-win Cooperation Development, meeting with top managers of Chinese enterprises and promoting their cooperation under B&R initiative.</p> <p>This ministerial workshop combines seminars with field trip to Chengdu. They will meet with the local governmental officials and understand their economic and social development status and its involvement in B&R construction. They will visit Chengdu Industrial and Hi-tech Development Zone and Tencent Company or other high-tech companies.</p> <p>Through the above activities, the workshop will enable the participants to understand the economic reform and social development status of different regions of China and build stronger cooperation relations between China and other developing countries.</p>
