<p>About the Organizer</p>	<p>Hunan Agricultural Group Co.,Ltd., founded in 1998, is an authorized state-owned assets management group company, exercising the rights of the investor of state-owned assets on behalf of Hunan provincial government, affiliated to State-owned Assets Supervision and Administration Commission of the State Council of Hunan province. The group owns, registered capital of 80 million yuan, total assets of 542.3 million yuan, net assets of 208.4 million yuan, staff members of 519 including 65 senior staff and 138 intermediate technical personnel. It is a modern agricultural investment holding group that is involved in research and development, operation and service, consulting and training. It is mainly engaged in such areas as research and development of veterinary biologics, hotel and travel services, consulting and designing of agricultural projects, equipment operation, new rural construction and real estate development, foreign aid agricultural programs, and modern agricultural technology training. The company has such affiliates as Hunan Haiyi Agricultural Technology Development Co. Ltd., Hunan Ya Tai Biological Development Co. Ltd., Hunan Ya Hua Hotel Co. Ltd., Hunan Zhong'an Bio-Pharmaceutical Co. Ltd., Hunan Quality Agricultural Products Development Service Center, Hunan Agricultural Materials Corporation, Hunan Agricultural Engineering Institute (Agricultural Engineering Consulting Center), Hunan Agriculture Industry Development Center, Jia kaicheng Holding Co. Ltd., Division of Overseas Business and International Exchange Center, which are state-owned, holding or joint stock companies or units.</p> <p>Hunan Agricultural Group Co.,Ltd. has always actively participated in the work of China aid programs. Cooperated with the Department of Agriculture of Hunan province, the company has implemented 31 China aid agricultural projects for 37 countries from Africa, Asia, and Latin America, dispatched 667 technicians, and provided 11,400 tons of materials and equipment for recipient countries. With the great support and guidance of Ministry of Commerce of PRC and Department of Commerce of Hunan province, since 2015, our company has undertaken the first phase vegetable greenhouse technical operation project to aid Georgia, lasting for 2.5 years, which is highly praised by all sides. Since 2008, Hunan Agricultural Group Co.,Ltd. has successfully organized 70 China-aid training programs, involving 2,587 participants from 85 countries, which is highly acclaimed and achieves good social effect as well. Thanks to the successful organization of the training programs, appreciation letters from participants and their dispatching organizations such as the African Union Commission, the Republic of the Gambia, Ghana, Tajikistan have been sent to the Chinese embassies in the above countries.</p>
----------------------------	---

<p>Training Course Content</p>	<p>Entrusted by the Ministry of Commerce of the People's Republic of China, Seminar on Agricultural Products Processing and Trade for BRI Countries will be held in Changsha during November 5th to November 25th, 2019 by Hunan Agricultural Group Co.,Ltd.. Experts from Hunan Agricultural Group Co.,Ltd., Hunan University, Hunan Agricultural University, Hunan Academy of Agricultural Sciences will deliver lectures.</p> <p>The seminar will be conducted in the such ways as lectures, seminars and visits. Lectures will be delivered on such topics:</p> <ol style="list-style-type: none"> (1) Current Status and Development Trend of China's Agricultural Products Processing Industry; (2) Overview and Development Trend of Soybean Processing; (3) Processing Technology of Fermented Soybean Products; (4) Rice Storage and Processing; (5) Comprehensive Utilization of the By-products in the Oil Industry; (6) Trade of Agricultural Products Between China and "Belt and Road" Countries; (7) Innovation management and start-up education; (8) The Belt and Road Initiative Industry and Project connection. <p>By visiting the modern demonstrative agricultural bases and parks, and communicating with the experts from leading agricultural processing and trading enterprises in Hunan and other provinces, participants will get the access to the platform for economic cooperation in the future. The on-site visits will bring a clearer insight on the processing and trading of agricultural products of China to the participants.</p> <p>In the seminar, participants will have a full experience of traditional Chinese culture and art, and have a taste of the hospitality of Chinese people, while learning the advanced technology in agriculture sector, to further enhance the friendship and relationship between China and "Belt and Road" countries. By visiting the communities and rural areas, participants will witness the great changes of Chinese people in their food, clothing, housing, transportation and other aspects, and have a better understanding of the achievements made in the 40 years after the China's reform and opening up in agriculture, economy and trade sector.</p>
