

CLEAN ENERGY AND EMISSION REDUCTION

5 TO 9 JUNE 2023

Sponsored by the

SINGAPORE COOPERATION PROGRAMME

under the

SINGAPORE COOPERATION PROGRAMME TRAINING AWARD

Singapore Cooperation Programme

Singapore has provided technical assistance to other developing countries since the 1960s. As a country whose only resource is its people, Singapore believes that human resource development is vital for economic and social progress. Singapore itself has benefited from training provided by other countries and international organisations.

In 1992, the Singapore Cooperation Programme (SCP) was established to bring together under one framework the various technical assistance programmes offered by Singapore. Through the SCP, the range and number of training programmes were increased to share Singapore's development experience with other developing countries.

To date, close to 150,000 officials from more than 180 countries, territories, and intergovernmental organisations have participated in our courses and study visits. The SCP is managed by the Technical Cooperation Directorate of the Ministry of Foreign Affairs, Singapore.

Course Objectives

This in-person course is conducted under the auspices of the Singapore Cooperation Programme Training Award (SCPTA).

This course will focus on Singapore's multi-agency engagement in formulating clean and renewable energy solutions to achieve a balance between

development and climate action obligations. It will also touch on the importance of collective mitigative actions on a global scale.

Synopsis

Topics to be covered include:

- Introduction to clean energy resources and technologies
- Energy and climate security
- Sustainable and clean energy governance issues
- Renewable energy and Clean Development Mechanism (CDM) adoption and implementation

Methodology

The course will be conducted in-person in Singapore and will include the delivery of instruction of course sessions, case studies as well as group discussions.

Course Duration and Venue

The course will be conducted daily from 5 to 9 June 2023 in Singapore.

Application Information

Applicants should be:

- Mid- to senior-level government officials who are involved in policymaking for sustainability and energy solutions;
- Nominated by their respective Governments;
- Proficient in written and spoken English; and
- In good health.

Terms of Award

The course is sponsored by the Government of Singapore under the Singapore Cooperation Programme Training Award.

Under this programme arrangement, the Government of Singapore will bear the following expenses for the successful applicants (thereafter known as participants) during their training in Singapore. These expenses include:

- Course fees;
- Accommodation for the entire duration of the course. Complimentary breakfast is provided in the hotel from the first day of the course to one day after the course;
- A daily training allowance of One Hundred and Twenty Singapore Dollars (S\$120) from the first day to the last day of the course. A proportionate reduction in the daily training allowance will be made if you are unable to attend the full duration of the course;
- Transportation between training venue and site visits; and
- Basic insurance coverage (Group Hospitalisation and Surgical; Group Personal Accident) for participants during their stay in Singapore, in accordance with the policy of a local insurance company. [This does not cover any pre-existing conditions/illnesses and/or any outpatient medical/dental treatment. Participants are personally liable for all medical expenses beyond what is covered by the insurance policy.]

Note:

- The nominating government will be responsible for its participants' round-trip airfares;
- For entry into Singapore, participants would be required to adhere to the latest travel requirements and advisories as indicated at www.ica.gov.sg/enter-transit-depart;
- Participants are to bear their personal expenses that might be incurred prior to receiving the allowance; and
- As the basic insurance coverage is limited, participants are strongly advised to purchase comprehensive travel insurance which includes adequate coverage of COVID-19 related expenses and medical evacuation in the event of any unexpected emergencies.

Regulations

Participants are required to comply with the following:

- Strictly observe course schedules and attend all training sessions; and
- Carry out instructions and abide by conditions as may be stipulated by the nominating Authority or Government and the Government of Singapore and its appointed trainer, with respect to the course.

Application Procedure

(Closing date for nomination: **20 April 2023**)

The Government of Singapore is pleased to invite the respective National Focal Point for Technical Assistance (NFP) to nominate **1** suitable applicant(s). Selection of candidates will be based on merit. Should there be more applicants than training places, the Government of Singapore seeks the understanding of the respective NFP in the event that its nominee(s) is not selected.

All nominees are to submit their applications online at <https://go.gov.sg/cleanenergy2023> by **Thursday, 20 April 2023**. All applications must also be **endorsed** by the National Focal Point for Technical Assistance.

Instructions and FAQs for Applicants and NFPs can be found at the links below:

- Applicants: <https://go.gov.sg/start-guide>
- NFPs: <https://go.gov.sg/start-nfp>

Note:

- Participants will receive a certificate of completion from the SCP upon completion of the course;
- Please refrain from making telephone and email inquiries on the status of your application while your application is being processed; and
- The Ministry of Foreign Affairs, Singapore will inform all applicants of the outcome of their applications. The NFP will also be informed directly.
- Flight arrangements should be made only upon receipt of the Letter of Acceptance to the course.
